

Use Plan Explanation

Each share owned gives three weeks of use per year (one week at a time, three different times of the year). If you own two shares, you would have six weeks of use per year.

Primary (fixed) week:

One of the weeks is called your “Primary Week” and is picked at the time of purchase. Your Reservation Priority Number for picking the other two weeks is determined by which Primary Week you choose. Weeks 24 through 40 are the Primary Weeks

Planned Vacation Weeks (Open Pool A & Open Pool B):

The other two weeks are picked by the owners in August of each year for the following year on a rotating priority basis.

Rotating Priority:

The owner’s order of picking weeks in Open Pool A and Open Pool B rotate annually (see “OPEN POOL SELECTION PRIORITY”). Example: If you have Reservation Priority Number 1 (because your Primary Week is the first week of the Primary Weeks), then in 2009 you would have the 16th pick of Open Pool A and the 2nd pick of Open Pool B, and in 2010 you would have the 15th pick of Open Pool A and the 3rd pick of Open Pool B, and so on.

Maintenance Week:

Each year, one week is designated for maintenance work. This is when we will do extra cleaning and maintenance or replacements of items. Week #48 is designated for maintenance in the north building, Week #49 for the middle building, and Week #50 for the south building.
